1981

Legislature passed a redistricting plan composed of 51 legislative districts. Four of the districts, 19-A, 19-B, 39-A, and 39-B were single-member representative districts and the remainder were multi-member representative districts each electing two representatives. All legislative districts were single-member senate districts, except that 19-A and 19-B were combined to form the 19th senatorial district and 39-A and 39-B were combined to form the 39th senatorial district. (C 288 L 81—Effective date: May 18, 1981) (Federal court suit)

1982

An independent bipartisan redistricting commission was established to begin in 1991. Redistricting plans were to be submitted to the legislature for ratification without amendment. (C 2 L 82—Effective date: February 17, 1982)

1983

A new independent bipartisan redistricting commission was established in law and the State Constitution. The commission beginning in the 1990s will be responsible for both legislative and congressional redistricting. The legislature was given limited modification authority of any commission approved plan. (C 16 L 83 and Amendment 74 to the Washington State Constitution—Effective date: November 8, 1983)

1984

Legislature passed modifications to the 1983 Redistricting Act which made technical corrections and included language inadvertently omitted from the earlier act. (C 13 L 84—Effective date: June 7, 1984)

1991-1992

The first bipartisan redistricting commission authorized by the 1983 constitutional amendment was appointed in January 1991. After public hearings, the commission prepared a redistricting plan for legislative and congressional districts. The plan was officially submitted to the legislature on January 1, 1992. The 1992 legislature made only technical changes in the congressional plan (SCR 8421). The 30-day period in which the legislature could amend the commission's plan expired on February 11, 1992 and the plan became the state's districting law. (Legislative district plan codified as Chapter 44.07C RCW; congressional district plan codified as Chapter 29.69B RCW—Effective date: February 11, 1992.)

APPENDIX A

TERRITORIAL ASSEMBLY 1854-1887

*Information taken from "Members of the Territorial Legislature 1854 - 1887"
Compiled by Ellen Levesque, Washington State Library, Olympia, WA
October 1989*

Explanatory notes

The information found in this document was gathered from several sources:

California researcher Sally Owen spent several days at the Washington State Library reading through the Journals of both the House and Council, extracting as much information as possible. There were, however, some gaps in this source.

Beginning in August of 1989, Washington/Northwest Room Library Technician Ellen Levesque began a listing of the Territorial Legislators found in an old card file of State Officials. In comparing this information with that compiled by Sally Owen, she was able to fill in several missing pieces of information. Then using Federal Census Indexes for 1860, 1870 and 1880, as well as newspaper accounts and the Washington/Northwest Room biographical index file, many other gaps were filled. Since the original Journals often listed members by initials only, this included finding the whole name of as many members as possible. Unfortunately, it was impossible to find every one.
